## WHAT IS AL-ANON?

### *Al-Anon is an Anonymous Fellowship*

The Al-Anon Family Groups are a fellowship of relatives and friends of problem drinkers who share their experience, strength, and hope in order to solve their common problems. We believe alcoholism is a family illness and that changed attitudes can lead to recovery.

Al-Anon is not allied with any denomination, sect, political entity, organization, or institution; does not engage in any controversy, neither endorses nor opposes any cause. There are no dues or fees for membership. Al-Anon is self-supporting by members' voluntary contributions.

Alateen Groups (AT) are young members of the Al-Anon fellowship of relatives and friends of problem drinkers who share their experience, strength, and hope in order to solve their teenage problems. Alateen is sponsored by Al-Anon. Alateen in-school meetings are limited to student members who attend school in Northern Virginia. Check with school youth counselors for details.
